East Greenbush Library Display

The Collar City Clay Guild is happy to announce that we have secured a display area at the East Greenbush Library for the month of April. This display will allow the Collar City Clay Guild to showcase the CCCG, Pottery Fest, Empty Bowls, and of course, show off the great talent of our members. This is your opportunity to display your best work.

Members will be able to submit 2 pieces (14" height limit). The CCCG will put the 1st Priority Piece of each potter in the display. If space allows, we will put in the 2nd Priority Piece. It should be noted that we will not be able to remove the display prior to Pottery Fest. DO NOT submit pieces you want to sell at Pottery Fest.

Drop off Date: March 26th at Northeast Ceramics or March 28th at the Monthly Guild Meeting
